POLICIES

Code of Conduct

Please speak up if you observe anything at our event that conflicts with this Code of Conduct. If you are being harassed, notice that someone else is being harassed, or have any other concerns, please contact event staff or security immediately. Event staff are stationed at the Info Booth and Registration during active event hours, while security personnel are positioned at the entrance, in the Exhibit Hall, and throughout the event.

Expected Behavior Guidelines

1. Be considerate and respectful of all attendees, exhibitors, staff, and guests.
2. Harassment, discrimination, and any form of inappropriate behavior (including, but not limited to: verbal abuse, offensive imagery, and unwelcome physical contact), are strictly prohibited.
3. Cosplay **is not consent**. Always ask permission before taking photos or interacting physically with others.
4. Smoking (including vaping and the use of e-cigarettes or any similar devices) **is not allowed** inside the convention center.

Costumes

1. Costumes should be **PG-13** and may not contain excessive nudity, offensive language, or inappropriate imagery.
2. Outfits that obstruct movement or impair vision are not permitted.
3. Shoes must be worn at all times. Tall

stilts, skates, bicycles, scooters (unless medically necessary), and shoes with wheels are prohibited. Skate decks are permitted; however, tracks and wheels must be removed before entry. Any complete or partially assembled skateboards will not be allowed inside the convention center.

4. Costumes resembling real-world law enforcement or military uniforms are **not allowed**. Costumes may not include the words **police**, **SWAT**, **FBI**, **DEA**, **CIA**, or similar official agency identifiers.

Weapons & Props

We make our attendee's safety a priority at LVL UP EXPO. All props and weapons must be inspected and cleared by the Peace Bonding Station located outside of the Registration Hall. You will not be able to enter the Exhibit Hall or Panel Rooms without a peace bond on your prop.

If you purchase a prop inside our Exhibit Hall, we ask that you do not remove it from its box until you have left the convention center. If you plan on using said prop for your costume, you must first bring it to the Peace Bonding Station for approval. If your prop does not display a peace bond, you will be escorted by staff or security to the peace bonding station for approval.

Any props brought into LVL UP EXPO must

POLICIES

be in compliance with all current laws and statutes of the City of Las Vegas and State of Nevada, as well as federal law.

Prohibited Props

Permitted Props

- Wooden, papier-mâché, and foam weapons (if inspected and approved)
- Skate decks (tracks and wheels **must be removed before entry**, and any fully or partially assembled skateboards will not be allowed inside the convention center)

Safety & Misuse Guidelines

Any prop that is **misused, thrown, swung, or used in a manner that may cause harm** will result in immediate revocation of attendee

privileges. All props exceeding **six (6) feet in length and thirty (30) pounds in weight** are classified as oversized and will not be permitted within the convention center. Gun-like props **must never be pointed at another person**, including for photos.

Any LVL UP EXPO staff member reserves the right to deem a prop unsafe and prohibit that prop from entering the convention. Failure to adhere to these guidelines may result in removal from the event without refund. These policies are subject to change at any time without prior notice.

- **Clear bags are encouraged** to expedite

POLICIES

security screening.

- Attendees who refuse a bag check will be denied entry into the event.

Signage

To maintain a safe, respectful, and enjoyable environment for all, the below rules apply to signs and promotional materials.

1. Sign Size Restrictions

- Signs must be no larger than three (3) feet wide. Oversized signs that exceed this limit will not be permitted.

Photos & Videotaping

LVL UP EXPO will have official convention photographers and approved media to take pictures and videos of the convention, attendees and events. By purchasing or wearing a badge, you agree to allow LVL UP EXPO to use photos that may be taken of you for promotional and decorative purposes.

When taking photos or videos of individuals or costumes, please use common courtesy

and ask before photographing or videotaping them. Please respect their rights if they do not wish to be photographed or videotaped. If someone indicates that they do not wish to be photographed or videotaped, **do not** photograph/videotape them! Furthermore, out of courtesy to our exhibitors and artists, please refrain from taking photos in front of or explicitly showcasing their products or booths without their permission.

ADA Accessibility

LVL UP EXPO is committed to providing a welcoming and accessible experience for all attendees. We strive to accommodate the needs of individuals with disabilities and offer services to ensure an enjoyable and inclusive event. To receive ADA care in-person at LVL UP EXPO, visit the Show Services Booth in the Registration Lobby.

ADA Badge Sticker Registration

To simplify access to the services and accommodations listed below, ADA attendees can apply for an ADA badge sticker in advance. This sticker will help staff identify those eligible for accessibility perks like priority lines and entrances. Stickers may be picked up at the Show Services Booth in the Registration Lobby during event hours from April 24–27, 2025.

ADA Companion Policy

Each ADA attendee is permitted **one (1)**

POLICIES

additional ADA sticker for a companion if they require assistance to access and enjoy the event. This companion sticker allows the designated individual to accompany the ADA attendee in **accessible lines and entrances** for **Main Events, Special Guest autographs,** and **other designated areas.**

The companion must have their own valid event badge, as the ADA sticker only grants accessibility privileges and does not serve as admission. Additional companions beyond the allotted plus-one will need to use general admission lines and entrances.

Accessible Parking

Designated accessible parking spaces for both standard vehicles and vans are available at our facilities for properly identified vehicles. Please refer to the LVCC Accessibility Map for locations.

Automatic Doors

Automatic doors are installed at key entrances to enhance accessibility for visitors with mobility challenges.

Wheelchair & Scooter Rentals

Wheelchair and scooter rentals are available through the **FedEx Office**, located in the Grand Lobby (Central Hall) and the South Hall Lobby. To reserve or inquire about availability, please contact the FedEx Office by calling **+1 (888) 441-7575.**

ADA Accessible Lines & Entrances

Accessible lines and entrances at LVL UP EXPO are available for:

- Main Entrances (Blue and Red)
- Main Events (regular panels are first-come, first-serve)
- Special Guest autographs

Service Animals

LVL UP EXPO welcomes service animals as defined by the Americans with Disabilities Act (ADA). Service animals must be under control at all times and harnessed, leashed, or tethered unless these devices interfere with their work. Emotional support and comfort animals are not allowed.

Contact

If you have any questions, require assistance, or need specific accommodations, please contact us at reg@lvluexpo.com before the event. We encourage early requests to ensure we can meet your needs effectively.
