POLICIES

[06: PHOTO & VIDEO]

Please be advised of the following guidelines regarding photography and videography at LVL UP EXPO:

➤ OFFICIAL MEDIA

LVL UP EXPO will have official convention photographers and approved media professionals to take pictures and videos of the convention, attendees, and events during active event hours. By purchasing or wearing a badge, you agree to allow LVL UP EXPO to use photos and video that may be taken of you for promotional or decorative purposes in the future.

➤ CONSENT POLICY

When taking photos or videos of other attendees or costumes, we request and require that common courtesy be shown and that individuals ask their permission before photographing or videotaping. Please respect their rights if they do not wish to be photographed or videotaped. If someone indicates that they do not wish to be photographed or videotaped, do not photograph or videotape them! Furthermore, out of courtesy to our exhibitors and artists, please refrain from taking photos or videos in front of or explicitly showcasing their products or booths without their permission.

➤ CONSENT POLICY ENFORCEMENT

Failure to observe the above consent policy may result in disciplinary action.

[07: ADA ACCESSIBILITY]

To receive ADA care in-person at LVL UP EXPO, please visit the Show Services Booth in the Registration Lobby.

LVL UP EXPO is committed to providing a welcoming and accessible experience for all attendees. We strive to accommodate the needs of individuals with disabilities and offer services to ensure an enjoyable and inclusive event.

➤ ADA BADGE STICKER REGISTRY

To simplify access to the services and accommodations listed below, ADA attendees can register for an ADA badge sticker in advance. This sticker will help staff identify those eligible for accessibility perks like priority lines and entrances. Stickers may be picked up at the Show Services Booth in the Registration Lobby during event hours from April 24–26, 2026.

➤ ADA COMPANION POLICY

Each ADA attendee is permitted one (1) additional ADA sticker for a companion if they require assistance to access and enjoy the event. This companion sticker allows the designated individual to accompany the ADA attendee in accessible lines and entrances for main events, special guest autographs, and other designated areas.

The companion must have their own valid event badge, as the ADA sticker only grants accessibility privileges and does not serve

POLICIES

as admission. Additional companions beyond the allotted plus-one will need to use general admission lines and entrances.

↘ ACCESSIBLE PARKING

Designated accessible parking spaces for both standard vehicles and vans are available at our facilities for properly identified vehicles. Please refer to the Las Vegas Convention Center's accessibility map for locations.

↘ AUTOMATIC DOORS

Automatic doors are installed at key entrances to enhance accessibility for visitors with mobility challenges.
